Eligibility of Children's' Medicaid
and
HHSC Updates

Children's of Migrant Farm
Worker Families

STAR Program Enrollment

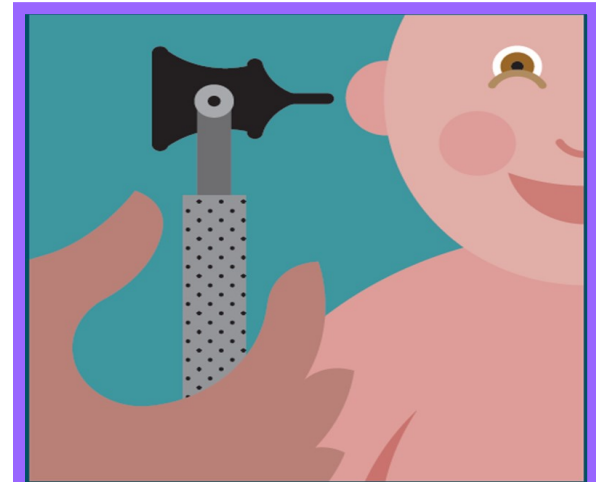

Texas Health Steps Program

Case Management for Children and
Pregnant Women

Children's Health Insurance Program
(CHIP)

Women, Infants, & Children's Program
(WIC)

A continental breakfast will be provided by:
Aetna Better Health, Amerigroup, Cigna,
Cook Children's Health Plan, Superior Health Plan

The Texas Health Steps program works to improve the health and well-being of children from birth through age 20. Comprehensive medical/dental checkups and preventive services place the children of Texas on a path to living a healthy lifestyle.

Seminar Participants will gain:

- * Better understanding of the eligibility, application and enrollment process for Children's Medicaid
- * Greater Awareness of the benefits and services available to recipients of Children's Medicaid
- * Updated information about other related healthcare programs for children
- * Networking opportunities, and interagency communications.
