

PsychologicalFirstAid Training

Train the Trainer – **Listen, Protect and Connect: Family to Family, Neighbor to Neighbor Psychological First Aid (PFA) for The Community Helping Each Other Helping Those Around You in Times of Crisis**

This course will prepare trainers to train Listen, Protect and Connect (LPC). This course outlines strategy to build trauma resilient and resistant communities by providing support based PFA training. You will learn the essentials to instruct people we serve in the essentials of listening to concerns, the needs of disaster survivors and how to help them connect with supports and resources in the community.

Target Audience: Behavioral Health Service Providers * Social Support Agencies * Faith-Based Partners
Civic Organizations * Crisis Counselors * Disaster Volunteers * CISM Team Members * Medical Reserve Core

As part of World Mental Health Day on **October 10**, Psychological First Aid instructor training will be offered.

Presented as a community collaboration
